Binder item 02

Target Practice: Making inferences from evidence

---

**TARGET** I will make *INFERENCES* from video sources about people's ethics, or moral codes, based on *EVIDENCE* in their statements and actions.

**TERMS** Inferences: Predictions, conclusions, or general ideas  
Evidence: Directly observed words, statements, or actions

.....

**SOURCE 1** Dr. Maya Angelou  
(expert model)

<b>Direct Evidence</b>	<b>Inferences</b>
<i>What statements made by Dr. Angelou help us to understand who she was and how she lived?</i>	<i>Based on her statements, what guiding principles (rules or truths) might we claim Dr. Angelou followed in her life?</i>

**SOURCE 2** Millicent “Mama” Hill  
(class collab.)

<b>Direct Evidence</b>	<b>Inferences</b>
<i>Write 3 statements (phrases) and 2 actions that help us understand who Mama Hill is and how she lives her life.</i>	<i>Based on her statements, what guiding principles (rules or truths) might we claim Mama Hill follows in her life?</i>
