

This is the map I'll use on the assessment. I may also draw in mountain ranges and city locations.

You will need to be able to locate many of these political and physical features.

*****TIP*****

You will struggle to fit all of the items below onto the map if you write them. I suggest that you label items on the map using the letters and numbers printed below.

A, B, C... = States (countries)

a, b, c ... = cities

1, 2, 3 ... = physical features

Anglo-American states

- A. United States of America
- B. Canada
- C. Greenland

Mexico and Central American states

- D. Belize
- E. Costa Rica
- F. El Salvador
- G. Guatemala
- H. Honduras
- J. Mexico
- K. Nicaragua
- L. Panama

Cities in the Americas*

- a. New York City
- b. Chicago
- c. Atlanta
- d. Seattle
- e. Havana
- f. Mexico City
- g. Houston
- h. Washington D.C.
- i. Los Angeles
- j. Montreal
- k. Toronto
- m. Vancouver

**Draw a ● in the spot where the city is located, and then write the letter beside it.*

Anglo-America: Physical Features

- 1. Rocky Mountains**
- 2. Appalachian Mountains**
- 3. Colorado River
- 4. Ohio River
- 5. Missouri River
- 6. Mississippi River
- 7. Rio Grande
