

Go to [www.prather.yolasite.com](http://www.prather.yolasite.com), and click on the APHG tab. Scroll down to the Unit 1 section, and click on **08.20.18 WEBQUEST**. Choose a set of data that is available at both the state AND county levels, i.e. education.

**FACTOR/ DATA SET 1 (data must be available at county level AND state level)** \_\_\_\_\_

Spatial patterns evident when looking at state-level data (map of the entire country)	
Do the identified patterns surprise you? Why or why not? What might explain the patterns you identified?	

Now examine **FACTOR/ DATA SET 1** again, but zoom into the county level for Tennessee and one other state.

	Tennessee	Other State _____
Spatial patterns evident when looking at county-level data		
Do the identified patterns surprise you? Why or why not? What might explain the patterns you identified?		

**FACTOR/ DATA SET 2 (choose another data set available at county and state level)** \_\_\_\_\_

Spatial patterns evident when looking at state-level data (national map)	
Do the identified patterns surprise you? Why or why not? What might explain the patterns you identified?
